: Action Taken Report: 2019-20:

Suggestions from stakeholders:

◆ Students

Overall 2064 feedback were obtained from the students for teaching learning, the learning resources and infrastructure of the college, leadership and management of the college in which the students are satisfied by the activities conducted in the college regarding the use of ICT, overall teaching methodologies used in the college. From the feedback, it can be concluded that the students have suggested for more usage of ICT facilities in order to understand the concept about the subject. As well as some infrastructure development like Ramp in Ground Floor, Emergency Exit, Open Auditorium etc. developed in premises.

◆ Alumni

The alumni of the college are satisfied with the up gradation of the syllabus done by the university wherein more practical approach have been included but they have suggested in order to gather more practical knowledge about current market scenario for more companies should be invited for various courses of the college. As per Academic Planner, arranged Alumni Meet and provide interaction with juniors.

◆ Parents

Parents are contented with how the college is working for the overall betterment of the students which works on quality teaching, giving participative boost to the students to participate in various co-curricular activities, extracurricular activities of the college. With Parents Meet, Parents suggested about more competitive exposure that's why arranged guidance lecture for competitive exam preparation.

◆ Teachers

The teachers have suggested for more placement of the students and practical training to be given to the PG students for better exposure of the market.

◆ **Employer**

The employer coming to on campus or off campus placement are invited to the Placement Fair, Career Counseling sessions for the last year students which helps to build their own decisions and shape their career.

Action taken report

According to feedback given by the students, alumni & Parents, College has made changes in the working pattern regarding giving of printed of academic calendar in next term which gives the overall layout of what teaching, extracurricular, co-curricular activities will be taking place in the upcoming year. Moreover, College has also made initiative regarding signing of more of MOUs with companies so that students get exposure to practical knowledge as well as internship in companies. Additionally, it will also help students to get motivated towards Students Startup Program. As well as college has developed more infrastructure facilities, Guest and Expert Lectures and Various Competitions for the overall development of the student.
